We provide a safe, nurturing environment for orphaned, abandoned, and vulnerable girls aged 6 to 18, focusing on education, emotional healing, health, nutrition, and empowerment.

LEGAL
FOUNDATION

We operate as per the guidelines and framework of the Juvenile Justice (Care and Protection) Act, 2015, and Maharashtra State Juvenile Justice (Care and Protection of Children) Rules, 2018 ensuring:

- Registration under Section 41
- Individual Care Plans (Form7)
- Rehabilitation & Social Reintegration (Section39)
- Periodic Inspection & Monitoring (CWC & DCPU)

VISION

- To build a society where every girl in need of care and protection is nurtured, respected, and empowered to lead a life of dignity and independence.

MISSION

- To provide holistic care, protection, and rehabilitation to girls under our shelter.
- To support their emotional, psychological, and educational needs.
- To equip them with life skills for a confident and self-reliant future.

OUR DAILY PURPOSE

Education & Life skills

Vocational Training

We ensure every child is enrolled in school under the Right to Education Act, support online education through NIOS, provide after-school tutoring, computer literacy training, and engage them in art, music, vocational workshops, as well as life skills and personality development sessions for holistic growth.

Counselling & Rehabilitation

We offer trauma-informed counselling, group therapy sessions, legal aid, and child rights awareness, along with efforts to restore children to their families when it is deemed safe and in their best interest.
