

## DONATION APPEAL

CASE NO. 192

### YOUR SUPPORT WILL HELP MASTER M SRIVENKATA JASWANTH WHO IS SUFFERING FROM A CONGENITAL HEART DEFECT AND NEEDS TO URGENTLY UNDERGO AN OPEN HEART SURGERY

**Name:** Master M Srivenkata Jaswanth  
**Age:** 12 years old  
**Gender:** Male

**Case History:** Master M Srivenkata Jaswanth is 12 years old boy suffering from a congenital heart disease and needs PBPV – (Percutaneous balloon pulmonary valvuloplasty)-(Congenital pulmonary stenosis is a health problem present from birth. It is when the pulmonary valve in heart does not fully open. Congenital pulmonary stenosis balloon valvuloplasty is a type of procedure that aims to fix this problem. Normally, the pulmonary valve opens fully when the right ventricles squeezes. It allows the blood to flow from the right ventricle to the pulmonary artery. The valve might have an abnormal number of small parts called leaflets. As a result, the valve can't open as fully as it normally would. As pressure builds up in the right ventricle, the heart has to work harder to push the blood out to the lungs). Due to their financial condition they had been going door to door for financial support and hence could not operate Master M Srivenkata Jaswanth. His health started deteriorating day by day and they took him to Rainbow Children's Heart Institute, Hyderabad, Telangana. Doctors informed them that he requires an urgent Open Heart Surgery as early as possible.

**Family Background:** His father works as a labourer in the farm on daily wages in Kurnool District, Andhra Pradesh and his mother is a house wife. His father earns only Rs.7500/- per month. Since he has to take care of the family and his parents are dependent on him, he naturally is not in a position to bear the cost of the treatment of Master M Srivenkata Jaswanth.

**Appeal to the Donors:** We therefore, sincerely appeal to the donors like **YOU** to come forward and extend your full support to enable us to treat Master M Srivenkata Jaswanth. Please join hands in our mission for this cause of saving the precious life of Master M Srivenkata Jaswanth and donate generously for his surgery. Your contribution is very valuable to enable the child to survive. The approximate cost for the operation of Master M Srivenkata Jaswanth is **Rs. 1,50,000/-** for an Open Heart Surgery. We appeal to **YOU** to save the life of Master M Srivenkata Jaswanth by sending your contribution by Cheque/DD/Online in the name of Abhilasha Foundation at the address given below.
